## ABOUT US

Humanities and Social Science is the study of human behaviour and interaction in social, cultural, environmental, economic and political contexts. The Social Science faculty at EMHS strives for excellence in teaching and learning by encouraging independent thinking and creativity in an intellectually stimulating environment.

HEAD TEACHER: KHYA BROOKS

## SOCIAL SCIENCE SUBJECTS

### ABORIGINAL STUDIES

Aboriginal Studies is designed to foster intellectual, social and moral development by enabling students to think critically about the historical and contemporary experiences of Aboriginal peoples.

### BUSINESS STUDIES

Business Studies is an academic course centred around business analysis, incorporating the use of primary and secondary research. Contemporary business issues and case studies are embedded into the course to provide a stimulating and relevant framework for further studies.

### GEOGRAPHY

Students of Geography learn about the processes that shape and change a variety of environments and societies across the world. They learn about the implication and management strategies associated with these changes.

### INTERNATIONAL STUDIES

The International Studies course provides a conceptual framework for the study of culture and the promotion of Intercultural understanding.

## SOCIAL SCIENCE SUBJECTS

### ECONOMICS

The study of Economics can help individuals, groups and societies make choices that assist them to improve their quality of life. As a subject, Economics challenges students to engage in analytical and critical thinking.

### SOCIETY AND CULTURE

Society and Culture is a conceptually based course that enables students to achieve social and cultural literacy by developing their knowledge and understanding about different societies and cultures across the world, developing their research skills and promoting positive values that are essential to intercultural communication.

### LEGAL STUDIES

The Legal Studies course develops students' knowledge and understanding of the nature and functions of law and law-making, the development of Australian and international legal systems, the Australian Constitution and law reform.

### COMMERCE

Commerce is an elective course offered in year 9 and 10 that teaches students the skills, knowledge and understanding to make effective and informed decisions in a variety of contexts including; commercial, financial, legal and employment.
