## ABOUT US

The Teaching and Learning Faculty at EMHS is devoted to assisting students in their schooling and overall wellbeing. Within our faculty, we work closely with the Deputy Principals, School Counsellors, Welfare Team, Head Teachers, Teaching Staff and Students to achieve a cohesive approach to learning. The Teaching and Learning Faculty offers a variety of programs to help ease the pressure of transition and assist with learning and development.

HEAD TEACHER: SHARON HOUGHTON

## WHOLE SCHOOL PROGRAMS

### MULTILIT

MultiLit is offered to students that need extra help with improving their literacy skills. The program combines research and theory with program development and service delivery to help assist those struggling with literacy and numeracy

### QUICKSMART

The QuickSmart program provides a framework with short and targeted lessons to work with students to improve literacy and numeracy. This support program enables students to progress from basic skills to more complex problem-solving

### LEAP

LEAP provides additional assessment assistance to students through scaffolding and one-on-one teacher help. This program is available on a referral basis and runs every Tuesday during period 4 and 5 in the Library.
