This homework centre is provided to support any students who seek to extend their study skills, literacy, numeracy, goal setting and the completion of homework and assessment tasks. Specifically, teachers and peer mentors working in the Deadly Homework Centre will provide support to students in completing assessment tasks, will assist students to complete homework and will provide additional learning activities to extend student knowledge and skills.

**All students** are encouraged to attend. If you would like your child to be involved, please complete the permission slip below and return it to **Miss Cunningham** in the Social Science staffroom **before Friday 29<sup>th</sup> April, 2022**.
